8
12

Bungee torna a fare parte delle nostre collezioni permanenti dopo vent'anni dal suo debutto. Un restyle che la riporta all'attualità, una lampada terra-cielo che saprà valorizzare ogni ambiente con la sua presenza. I miglioramenti sono visibili fin da subito: la corda ora è tessile e disponibile in più varianti colore, la base è in cemento e si possono gestire fino a tre punti luce. Bungee si ripresenta quindi come un essenziale elemento d'arredo, caratterizzante anche da spento.

Twenty years since it first made its debut, Bungee returns to our permanent collections with a restyling that brings it back up to date: a floor-to-ceiling light fitting whose presence will enhance any space. The improvements are immediately obvious: the cable is now made from fabric and comes in a range of colours; the base is made of concrete and can take up to three lamps. With these improvements, Bungee once again re-introduces itself as an essential element for furnishing interiors that has a strong presence even when it is switched off.

La collezione Bungee è costituita da una terra-cielo per interno. Bungee è composta da un cavo tessile con attacco a soffitto e alimentazione a terra. Il corpo illuminante è scorrevole, ruotante e dotato di un anello in alluminio con molle d'acciaio, che consentono di orientare a piacere il fascio di luce. La sorgente luminosa è un LED integrato ed è disponibile dimmerabile PUSH.

The Bungee Collection is a full-height floor-to-ceiling lamp for indoor use. The light fittings are supported on a fabric cable that is fixed to the ceiling. The power supply is at floor level. The body of the fitting can slide up and down and rotate, and has an aluminium ring with steel springs that enable the beam of light to be directed as desired. The light source is an integrated LED and is available with a dimmer PUSH.

Bungee

Tipology Floor-to-ceiling lamp
Dimensions Ø12,5cm x h. max 300cm
Materials Aluminum – Steel
Light Source LED 1x7W – 2700K/3000K – CRI 90
Dimmable PUSH
Finishes Black, Red, Patterned cable

Ispirato agli elementi architettonici, Dome è un sistema di illuminazione modulare a sospensione in cui ogni corpo lampada è collegato ad un altro mediante un arco così da creare una serie di volte che insieme alla luce disegnano lo spazio intorno.

Grazie alla sua componibilità e alla possibilità di aggregare infiniti moduli, il sistema Dome risulta molto flessibile e adatto ad ogni esigenza, può illuminare spazi molto ampi restituendo delle vere e proprie architetture di luce dal forte impatto visivo.

Inspired by architectural elements, Dome is a modular suspension lighting system in which the body of each lamp is connected to the others by an arch, creating a series of vaults which, together with the light itself, design the surrounding space. Thanks to its modularity and the fact that an infinite number of modules can be aggregated together, Dome is a highly flexible lighting system that is suitable for every requirement, and can be used to light very large spaces, creating true architectures of light with a strong visual impact.

La collezione Dome è costituita da un punto luce per interno e da un arco di 1 metro realizzati in alluminio e ferro verniciati nero oppure oro. La sorgente LED è disponibile dimmerabile DALI PUSH 1..10V con alimentatore integrato. Tutte le versioni sono ad alta efficienza.

The Dome collection consists of an indoor light point and a 1 meter arc made of black or gold painted aluminum and iron. The LED source is available as DALI PUSH 1..10V dimmable, with an integrated power supply. Both versions are highly efficient.

Ispirato dalla capacità della natura di moltiplicarsi da un singolo seme, XY&Z incoraggia il propagarsi della luce da un unico punto a molti elementi diversi: XY&Z è una conversazione tridimensionale tra arte, design, tecnologia e bellezza. Progettato per lo spazio interno commerciale unico, XY&Z è una fonte di illuminazione decorativa e funzionale ideale nell'ambiente open space e in spazi di ritrovo come ospitalità, ristoranti, aree di servizi e spazi di vendita al dettaglio di boutique per creare un'esperienza di design sublime.

Inspired by nature's ability to multiply from a single seed, XY&Z encourages a propagation of light from a single point to many varied elements: XY&Z is a 3 dimensional conversation between artistry, design, technology, and beauty. Designed for the unique commercial interiors space, XY&Z is an ideal decorative and functional lighting source in the open space and for gathering spaces such as hospitality, restaurant, amenities areas, and boutique retail spaces to create a sublime design experience.

Il punto luce è realizzato in vetro soffiato ed è sospeso a diverse altezze. Il vetro interno è disponibile nei colori liquirizia, prugna, petrolio, bronzo e ha una scelta tra quattro texture: slick, rigadin, baloton, aqua. Il vetro esterno è trasparente. I rosoni sono disponibili in bianco o nero e si possono connettere da uno a quattro punti luce ad ognuno. L'elettrificazione è per lampadine E14, i punti luce possono essere dimmerati a taglio di fase.

The spotlight is made of blown glass and is suspendable at varying heights. The internal glass is available in licorice, plum, petroleum, bronze finishes and has a choice of four textures: slick, rigadin, baloton, aqua. The outside glass is clear. The canopies are available in white or black and can be connected from one to four light points to each one. The lamp is suitable for use with E14 bulbs and can be dimmed with phase cut.

Akoya

26

Puppy

32

Ispirato ad un piatto della batteria, il grande e sottile paralume di Acustica ne ribalta il concetto, assorbendo le onde sonore ambientali e creando un elevato comfort acustico. La sua posizione naturalmente inclinata e la leggerezza del paralume, permette di avere composizioni di lampade dinamiche e creative. La fonte luminosa è centrale e fissa, Acustica è disponibile in più varianti colore. È ideale per ambienti pubblici come ristoranti, uffici di lusso ma anche ampi spazi di attesa.

The wide, slim shape of the Acustica lampshade is inspired by the cymbal of a drum kit, but reverses the musical concept by absorbing sound from the space, to create a high level of acoustic comfort. Its naturally inclined angle, and its lightness, make possible dynamic and creative compositions of multiple lamps, whilst the light source itself remains central and fixed. Acustica is available in a range of colour variations, and is ideal for use in public spaces such as restaurants and luxury offices, as well as large waiting areas.

La collezione Acustica è costituita da tre sospensioni per interno con proprietà di assorbimento acustico, di diametro da 60cm, 90cm o 120cm, e da due applique disponibili in diametro da 60cm e 90cm che mantengono invariate tutte le caratteristiche tecniche. La calotta è realizzata in PET riciclato, con struttura in alluminio anodizzato nero e diffusore in PMMA (Polimetilmetacrilato) opalino. La sorgente LED è disponibile dimmerabile 1-10V, DALI – PUSH o a taglio di fase con alimentatore integrato. Tutte le versioni sono ad alta efficienza e ripple free.

The Acustica collection consists of three indoor pendant lamps with sound- absorbing properties, in diameters of 60cm, 90cm or 120cm, and it is also available in two wall lamps in the diameters of 60cm and 90cm with all the same technical characteristics. The shell is made from recycled PET, the structure is black anodised aluminium, and the diffuser is opal PMMA (polymethylmethacrylate). The LED source is available as 1-10V dimmable, DALI/PUSH, or phase cut, with an integrated power supply. Both versions are highly efficient and flicker-free.

Finishes Ocean, Coral, Concrete, Lawn green, Honey

Akoya nasce dall'evoluzione geometrica della circonferenza, che prima si fa superficie bidimensionale – il cerchio, e poi volume tridimensionale – la sfera. Dall'interazione di queste due geometrie si sviluppa l'immagine di una conchiglia che custodisce una pregiata perla luminosa al suo interno. Proprio come le perle, simbolo di perfezione e conosciute per il loro notevole grado di lucentezza, anche la collezione di lampade Akoya dimostra la sua naturale semplicità e la capacità di dialogare con il contesto architettonico in cui si trovano.

Akoya was born from the geometric evolution of the circumference, which first became a two-dimensional surface – the circle – and then a three-dimensional volume – the sphere. The interaction of these two geometries gave rise to the image of a shell housing a precious luminous pearl inside. Just like pearls, a symbol of perfection and known for their remarkable lustre, the Akoya collection also showcases its natural simplicity and ability to reflect its architectural environment.

La collezione Akoya comprende una applique di diametro 30cm e due sospensioni da interno di diametro 30cm e 60cm. È realizzata da due dischi metallici (disponibili nelle finiture bianco, antracite, corten e bronzo) che contengono un diffusore in vetro soffiato. La sorgente luminosa è a LED ad alta efficienza con alimentatore integrato e dimmerabile 1..10V, DALI o ON/OFF.

The Akoya collection comprises a indoor wall lamps in diameter of 30cm and two pendant lamps in diameters of 30cm and 60cm. It is made of two metal discs (available in white, anthracite, corten and bronze finishes) containing a blown glass diffuser. The light source is a high-efficiency LED with integrated power supply and dimmable 1..10V, DALI or ON/OFF.

Puppy è una lampada di piccole dimensioni e dal look essenziale. È l'unione di due elementi che si completano in una sinuosa armonia e donano alla lampada delle sembianze astratte che richiamano quelle di una marionetta. Puppy è ideale per ambienti in stile classico contemporaneo.

Puppy is a small lamp with an essential look. It is the union of two elements that complement each other in a sinuous harmony and they give the lamp abstract features that resemble those of a puppet. It is ideal for contemporary classic interiors.

La collezione Puppy comprende una lampada da tavolo e una sospensione da interni. Puppy è realizzata da una base in ceramica artigianale di Nove (Vicenza, Italia) e ha un diffusore in vetro soffiato incamiciato bianco. L'elettrificazione è a tensione di rete per lampadine LED.

The Puppy collection comprises a indoor table and pendant lamp. Puppy is made from a handcrafted ceramic base from Nove (Vicenza, Italy) and has a white blown glass diffuser. The LED bulb lamp electrification is mains voltage.
